

Purple, black, no matter your colour, drugs are what. Be meth free. Stay away from meth! Your kids will be taken away. Cocaine is one hell of a drug. It messes your life, life or meth? Love ur self. Stay away from crack! There is nothing cool about meth. God said meth and crack are bad. Gotta stay away from them.

Like a fish out of Water,
So is our body on
CRYSTAL METH
struggling to
survive.

Inspired by the students of:
Enderby Youth Society, Enderby BC

> did you see what god just did to us man? "That wasn't god that was crystal Meth!" An Angel landed in my tree today. A Heart of gold, A halo for May. She came with a message for all to see, in my backyard Upon a tree.. When she left, All that lay, is a ray of light, And a sign that say, Blessed Be! don't let the hands of our youth be polluted with

crack and meth. Like a fish out of water.. so is our body on crystal meth struggling to survive. crystal meth is a powerfully addictive stimulant that affects the central nervous system. Meth give death to babies. Blue, Green,
